Subject: Dewey-Burdock Tribal consultation letters for your review

Hi Carolyn,

I have saved two letters to my UIC I drive folder for your review. They are the tribal consultation letters for Dewey-Burdock. One is for the Cheyenne River Sioux Tribe, which has a different paragraph (paragraph 1 on third page) from the other letters. Please make a concurrence copy for me to print out.

Please add the concurrence blocks to the second letter. I will use this as the concurrence copy for the other 37 letters.

I thought I would put the signature pages from the 37 letters on the left side of the folder to make it easier for Darcy to sign all of them. She can read the full letter on the concurrence copy. I will put the folders together once you have a chance to proof the letters and create the concurrence copies.

Thanks!

Here is a quick link to my folder with the letters:
